1 After line 197, insert the following:

2 "Sec. 11. Section 21-37 of the general statutes is repealed and the
3 following is substituted in lieu thereof:

4 Any town may make reasonable ordinances with reference to the
5 vending or hawking upon its public streets or upon any state highway,
6 except limited access highways, within such town or any land abutting
7 such streets or highways of any goods, wares or other merchandise at
8 public or private sale or auction, or to the vending or peddling of such
9 articles from house to house within its limits, including the imposition
10 of a fee, not exceeding two hundred dollars a year, applicable with
11 respect to any person engaged in such vending, hawking or peddling,
12 for the privilege of so vending, hawking or peddling such
13 merchandise. Any resident veteran who qualifies under section 21-30
14 shall not be required to pay such fee. Any ordinance adopted pursuant

15 to this section which requires a permit may require that no such permit
16 shall be issued to any person who has not obtained a permit to engage
17 in or transact business as a seller within the state in accordance with
18 section 12-409 and shall require that any permit issued pursuant to
19 such ordinance shall be conspicuously displayed at the place the
20 activities are undertaken. Such ordinances may provide that the
21 authority issuing such permit may waive the permit fee for a nonprofit
22 organization exempt from federal taxation by Section 501 of the
23 Internal Revenue Code of 1986, or any subsequent corresponding
24 internal revenue code of the United States, as from time to time
25 amended, or a charitable organization. This section shall not apply to
26 sales by farmers and gardeners of the produce of their farms, gardens
27 and greenhouses, including fruit, vegetables and flowers, or to the sale,
28 distribution and delivery of milk, teas, coffees, spices, groceries, meats
29 and bakery goods, to sales on approval, to conditional sales of
30 merchandise, or to the taking of orders for merchandise for future
31 delivery when full payment is not required at the time of solicitation.
32 Nothing in this section shall be construed to limit in any manner the
33 Commissioner of Transportation's statutory authority concerning state
34 highways. Nothing in this section shall be construed as empowering
35 any municipality to prohibit, regulate, control or impose a fee on any
36 person operating any business on any state highway or land abutting
37 any state highway pursuant to a contract with the state."
